Governors Island Alliance and the AIA New York Chapter, APA New York Metro Chapter and the New York Chapter of the ASLA, in association with the Governors Island Preservation and Education Corporation (GIPEC) and Governors Island National Monument are pleased to invite you to a forum on the development of the parks and public spaces on Governors Island.

The forum will feature discussions on design opportunities and challenges, the interaction of public and private spaces, and creative programming, at a time when GIPEC is launching its design competition for the Island's parks and public spaces.

*Early Island Planning Overview on display at 5:30pm. Wine & cheese reception to follow Forum.*

CES Credits will be available to AIA and ASLA members

**Admission to the event is free. Please RSVP by visiting [aiany.org/calendar](http://aiany.org/calendar), selecting this event on the calendar, then following the RSVP link in the description.**

*Additional funding provided in part by The New York Community Trust, The J.M. Kaplan Fund and supporters of Governors Island Alliance.*
